*Please note that negatives in the Portables columns represent empty classrooms. Totals only reflect portables (i.e. positive numbers only)

Option 1 - Preferred Alternative as Presented in Initial Boundary Review Report

Advantages:

- Creates contiguous boundaries
- Relieves enrolment pressure from St. Vincent de Paul
- Makes efficient use of Holy Spirit
- Makes efficient use of the new Southeast Galt school
- 108 students will become walk eligible to attend the Southeast Galt school

Disadvantages:

- Will affect approximately 433 due to boundary change and return of Out of Boundary students to home schools. Does not account for any possible Legacy Exceptions.
 - 216 Out of Boundary students
 - 217 students directed to attend the new Southeast Galt school and St.

Anne

Option 2

Option 2 proposes to:

- Move Sub-Areas K, L, and M from Holy Spirit to the Southeast Galt School
- Move Sub-Area D from St. Anne to the Southeast Galt School
- Move Sub-Area F from St. Anne to Holy Spirit (No students or development)
- Move Sub-Area X from St. Vincent de Paul to St. Anne

Option 2

Advantages:

- Creates contiguous boundaries.
- Relieves enrolment pressure at St. Vincent de Paul.
- 108 students will become walk eligible to attend the Southeast Galt school.

Disadvantages:

- New Southeast Galt school opens near capacity and exceeds 160% utilization by year five.
- Holy Spirit less than 75% utilized and only reaches capacity five years after opening the new school.
- Will affect approximately 506 students due to boundary change and return of Out of Boundary students to home schools. Does not account for any possible Legacy Exceptions.
 - 252 Out of Boundary students
 - 254 students directed to attend the new Southeast Galt school and St. Anne

Option 3

Option 3

Advantages:

- Creates contiguous boundaries
- Relieves enrolment pressure from St. Vincent de Paul
- Makes efficient use of Holy Spirit
- Makes efficient use of the new Southeast Galt school
- Directs new housing developments to St. Anne expanding diversity of school community
- Reduces long term forecasted enrolment pressure at Southeast Galt school
- 108 students will become walk eligible to attend the Southeast Galt school

Disadvantages:

- Will affect approximately 389 students due to boundary change and return of Out of Boundary students to home schools. Does not account for any possible Legacy Exceptions.
 - 172 Out of Boundary students
 - 217 students directed to attend the new Southeast Galt school
