

-the focus of the meeting was on Mission Day details

Other items: feedback form to be created for families to tell us about Family Movie Night (Missy)

-Sandra Barwell will attend the Gr. 8 Graduation and hand out the cards (June 23), Missy will order them and sign them.

-feedback from Welcome to Kindergarten Night, we need a pamphlet that briefly explains CSAC so families have a better understanding of the council. We will ask for a volunteer to create this pamphlet at the first meeting in September.

-Missy shared information that was shared by Hayat (STSWR). Hayat will be at Mission Day. She needs a table set up inside. She is going to have some interactive activities: a chart to collect data on modes of transportation using stickers, a Drive to 5 information pamphlet, maps to colour their routes to school, bike helmet fitting and bike safety.

-In Sept we will set up a bike rodeo and share the information with council at the Sept. 23 meeting. Hayat will be in touch with Missy before the council meeting to plan.
